★ **L S F Princess Royal 139th (Twin) x2424828.** It took us quite a while to decide whether to sell this grand female or show and keep her. We drew her out of our show string to show the public the kind of cattle we breed and the kind we keep in our breeding herd. She will make a grand female to show this year and should give her new owner plenty of publicity. She comes from one of our top producing families and is safe in calf to Montezuma, a mating that has produced the greatest calves that we have ever had dropped on our farm. Be sure to check the outstanding bulls and breeders in her pedigree. This heifer as well as some of the other top cattle we are selling were nominated to the Congress until it was decided to have a State sale. Look her over carefully sale day. Calfhood vaccinated.
